Betalphing with fLAB FUNDS in HK and Singapore

Oscar Alvarez, Chairman and Founder of fLAB FUNDS will be in Hong Kong in November (13th to 17th) and Singapore (20th to 24th) presenting fLAB Core, a very robust and successful Global Flexible Fund, as well as its Investment Methodology called Betalphing®, Active Asset Allocation using Passive Investments, or how to find Alpha through the best Beta Selection.

Betalphing allows investors to outperform a traditional balanced/flexible allocation with a markedly lower volatility and a lower maximum drawdown, through a disciplined, smart and dynamic asset allocation.
